BATHROOM RENOVATIONS

PLAN YOUR PERFECT BATHROOM

Are you looking to renovate your bathroom and maximise your space with the best design ideas? Not sure where to start?

We'll help you transform your bathroom, adding style and value to your property.

DREAM & DESIGN

At Waterworx OnCall, it's our vision to meet the bathroom needs of every contemporary family dynamic, lifestyle and budget.

Our experts are on hand to assist and work within your parameters. We provide a complete start to finish bathroom renovation service and all aspects are looked after by your dedicated project manager.

SHOP YOUR LOOK

From tiles to baths, we'll help you find the perfect products for the perfect price. Our team are able to help source the highest quality and best designed products, ready to add some on-trend inspiration to your bathroom.

SEE IT COME TO LIFE

We will lead you through the whole renovation planning process – from sketch to install – to create your dream bathroom. No matter how big or small!

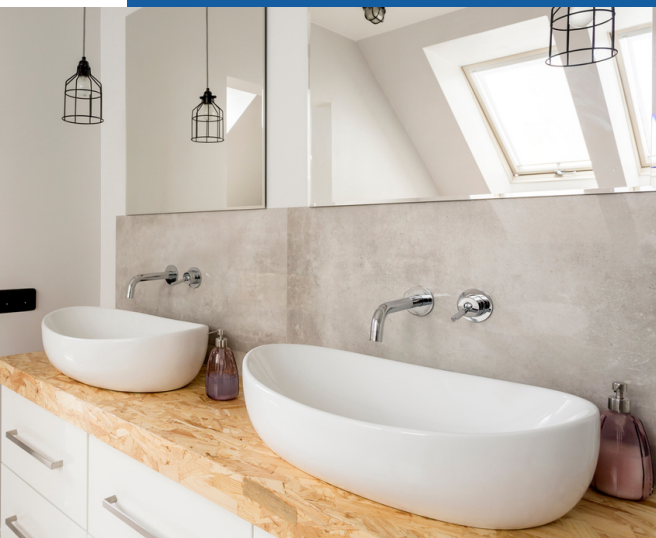

THE PROCESS

The renovation process can be daunting, however we are here to put your mind at ease. We provide a complete end-to-end project management service, taking all the worry out of your bathroom renovation.

You are assigned an experienced Project Manager who will work with you through each step to ensure you aren't overwhelmed by the process.
